	lb.	Spray	.0990	.0990	.0990	.19-1/4	.19	.19	For packaged Milk - Add \$.05 lb.			

1/ CCC Export Prices are based generally on estimates of average CCC prices for export or approximate market prices and full reimbursement prices are based on estimates of average investment costs for commodity programs and therefore may not be representative of specific prices at which individual deliveries will be valued or invoiced.

2/ Price based on 500 lb. gross weight per bale.

3/ Based on Price of Grade "A" Butter for export for unrestricted uses.
